

Equipment Service & Repair

General Data provides expert service and repair for printers, barcode scanners, mobile computers, and many other devices and instrumentation across almost every industry. We analyze your needs and help you choose programs that save money, create efficiencies, and get the most from your equipment. Our commitment to reliable and trouble-free service is unparalleled in the industry.

■ Depot Service

Your equipment can be sent to our depot service facility for service, repair, and maintenance.

■ On-Site Service

Our technicians can repair and maintain equipment at your location.

■ Annual Service Contracts

Simplify the process of maintenance and repair. For a low annual fee, all maintenance and repair costs are covered...And, you can schedule calls through our service web portal!

■ Bullpen Service

An economical solution for large numbers of printers in a single facility. Simply place all equipment in need of maintenance in a designated location, and we fix them all at once.

■ Factory Authorized Warranty Service

Use General Data Service for equipment still under factory warranty. For many manufacturers, we are certified to provide factory-authorized warranty service.

■ Service Advantage Warranty Extension

Gives you complete coverage from the start. Upgrade factory warranty on new printers so technicians perform repairs on-site and extend the warranty term up to three years.

■ Preventive Maintenance

Highly effective and vastly superior to reactive maintenance, preventive maintenance is planned at regular intervals to identify problems before they occur.

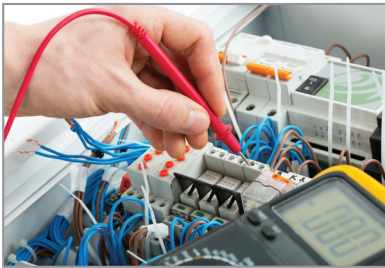

■ Technical Support

Receive help in solving common problems virtually with our team of hardware service experts.
