

Mobile HealthCheck™

Battery-Powered Cart

■ Mobile, Rugged Cart Can Go Anywhere

The versatile Mobile HealthCheck Cart can be used at building entrances/gates, employee common areas, medical drive-through testing stations, mobile field units, facility isolation units, warehouse supply and receiving areas, or wherever needed.

■ Battery-Powered For Up To Four Devices

Powerful sealed lead acid battery system will run up to four devices for 8-10+ hours (longer if fewer or smaller devices).

■ Rechargeable, Removable Batteries

Full recharge time is 5 hours. Swappable battery configuration can keep the cart in service 24/7.

■ Anti-Microbial Surfaces; Disinfectant Safe

The cart is disinfectant-ready for powerful cleaning agents. All shelving surfaces are anti-microbial, as well as keyboard, mouse, and touchscreen. Your choice of anti-microbial and/or disinfectant-ready housing is available on devices you select for your cart.

■ Completely Customizable

As every requirement is different, every cart can be different. The Mobile HealthCheck Cart can be configured to accommodate scanners, printers (laser, wristband, and/or label), tablet, laptop/keyboard/mouse; anything your staff and system requires.
